Natural, authentic photography that doesn't
take you away from your wedding day.

REAL SMILES, REAL TEARS, REAL LIGHT.

This is what to fill your wedding album with.

**I CAPTURE FLEETING MOMENTS THAT
MIGHT OTHERWISE BE FORGOTTEN.**

I want those moments to be truthful and genuine,
the really real you enjoying the really real moments.

I want my photographs to show the true emotions of your wedding day, your character, and that of your parents and best friends, unposed and completely natural.

**TO ME, THE BEST PHOTOGRAPHS ARE THOSE WHERE
PEOPLE ARE COMPLETELY UNAWARE OF THE CAMERA.**

ABOUT ME

Photographing people is one of my favourite things in the world. A wedding brings out such colourful character and joy in people. Where else is there so much beauty, love and emotion packed into just one day?

I love being there with you, capturing all of it without interrupting it. I focus on people, not things. It's all about you and your family and friends - in one place for a whole day!

I believe in being real and genuine, and living life to the fullest. I observe and capture, never intrude and produce moments.

I live in North London, close to beautiful Alexandra Palace, with my son Cosmo and my sweet but slightly bananas rescue dog Lula. I love good stories, picnics, sunsets, and watermelon - preferably all at the same time.

I want to hear all about your wedding plans so get in touch! I look forward to hearing from you.
